

BEN CAMPANARO

digital compositor

campanaro.ben@gmail.com | www.bencampanaro.com
Los Angeles, CA | Member of The Animation Guild, IATSE Local 839

profile

- Emmy-Nominated digital compositor, with proven success as both an artist and an "in-the-trenches" supervisor of popular live-action and animated feature film, television, and commercial projects
- Excels in a fast-paced environment, specializing in efficiently solving the most daunting creative and technical challenges

experience

DreamWorks Feature Animation – Glendale, CA (Remote)

Image Finaling Artist

Dec 2020 – Present

- Addressed detailed technical and creative notes on mono & stereoscopic composites received from Lighting teams
- Tech-checked and corrected shots before sending to DI, preparing detailed sets of mattes for use in final grading
- Clean-plated, typeset, and composited replacement text translations for releases in foreign markets
- Represented the Image Finaling Department in bi-weekly Nuke training seminars presented to the studio's entire user base

Method Studios – Santa Monica, CA (Remote)

Senior Compositor

(Contract) Sep 2020 – Dec 2020

DNEG – Hollywood / Burbank, CA

Senior Compositor

(Contract) Feb 2019 – Jun 2019

- Designed looks and composited magical effects, creatures, and environments for "The Dark Crystal: Age of Resistance"
- Prepared templates, triaged broken scripts, and finaled shots from fellow artists

FuseFX – Burbank / Van Nuys, CA

Digital FX Supervisor / Compositing Supervisor / Senior Compositor

Nov 2015 – Jul 2018

- Composited hero shots & sequences across more than 120 hours of Broadcast, Streaming, and Commercial productions
- Managed teams ranging from 2-50 artists with varying levels of experience
- Developed key looks, designed script templates for team continuity, and finaled sequences/episodes as needed
- Balanced crew & outsource vendor assignments with individual skill levels and deadlines across simultaneous shows
- Reviewed artist and vendor submissions, providing technical and creative direction
- Partnered with Lighting and Matte Painting artists to determine shot approaches and guide handoffs
- Finalized goals, budgets, and timelines with Producers during script breakdown and bid meetings
- Beta-tested in-house tools, researched new software and techniques, and trained artists on their use
- Brainstormed with Editors, Post Producers, and VFX Supervisors to solve storytelling challenges and plan plate photography
- Oversaw Matchmove, Animation, Dynamics, CG and Comp teams as needed to support in-house show Supervisors

Origin Digital Studios – Burbank, CA

VFX Supervisor / Compositing Supervisor

Mar 2014 – Nov 2015

- Led a team ranging from 3-15 artists as a founding member of a startup television VFX studio
- Partnered with Management, Producers, Human Resources, and TDs to establish the protocols and pipeline for the facility
- Hosted "dailies" screenings and Cinesync sessions with satellite offices, vendors, and clients to discuss notes
- Composited hero shots & sequences, developed key looks, and designed templates for continuity throughout projects
- Interviewed and recruited artists and outsource vendors
- Edited company shot builds, demo reels, and press material for marketing and Emmy / VES award entries
- Provided secondary Supervision on-set for VFX plate photography of "True Detective" and "Scorpion"

Post Magazine – Hollywood / Studio City / Culver City / Anaheim, CA & Tokyo, Japan

Contributing Writer

May 2010 – Nov 2013

- Provided coverage of trade conventions, production summits, and award ceremonies from VES, DGA, ASC, and SIGGRAPH
- Previewed, tested, reviewed, and toured factories of products from Adobe, Hewlett-Packard, and Canon

Pixomondo – Burbank, CA

Compositing Supervisor / Lead Compositor

Jan 2011 – May 2013

Eden FX – Hollywood / Santa Monica, CA

Lead Compositor

Aug 2007 – Dec 2010

Mechnology VFX Studio – Hollywood / Burbank, CA

Project Manager / Digital Artist

Mar 2005 – Aug 2007

"Charmed, Season 8" – Paramount Studios Hollywood, CA

Visual Effects Assistant (on-set)

Jul 2005 – May 2006
