

BEN CAMPANARO

digital compositor

Los Angeles, CA | P: 1-310-339-0344 | campanaro.ben@gmail.com | www.bencampanaro.com

profile

- Emmy-Nominated digital compositor, with proven success as both an artist and an "in-the-trenches" supervisor of popular television, feature film, and commercial projects
- Excels in a fast-paced environment, specializing in efficiently solving the most daunting creative and technical challenges

experience

DNEG - Hollywood / Burbank, CA

Senior Compositor

Feb 2019 - Jun 2019

- Designed looks and composited magical effects, creatures, and environments for "The Dark Crystal: Age of Resistance"
- Prepared templates, triaged broken scripts, and finalized shots from fellow artists

FuseFX - Burbank / Van Nuys, CA

Digital FX Supervisor / Compositing Supervisor / Senior Compositor

Nov 2015 - Jul 2018

- Composited hero shots & sequences across more than 120 hours of Broadcast, Streaming, and Commercial productions
- Managed teams ranging from 2-50 artists with varying levels of experience
- Developed key looks, designed script templates for team continuity, and finalized sequences/episodes as needed
- Balanced crew & outsource vendor assignments with individual skill levels and deadlines across simultaneous shows
- Reviewed artist and vendor submissions, providing technical and creative direction
- Partnered with Lighting and Matte Painting artists to determine shot approaches and guide handoffs
- Finalized goals, budgets, and timelines with Producers during script breakdown and bid meetings
- Beta-tested in-house tools, researched new software and techniques, and trained artists on their use
- Brainstormed with Editors, Post Producers, and VFX Supervisors to solve storytelling challenges and plan plate photography
- Oversaw Matchmove, Animation, Dynamics, CG and Comp teams as needed to support in-house show Supervisors

Origin Digital Studios - Burbank, CA

VFX Supervisor / Compositing Supervisor

Mar 2014 - Nov 2015

- Led a team ranging from 3-15 artists as a founding member of a startup television VFX studio
- Partnered with Management, Producers, Human Resources, and TDs to establish the protocols and pipeline for the facility
- Hosted "dailies" screenings and Cinesync sessions with satellite offices, vendors, and clients to discuss notes
- Composited hero shots & sequences, developed key looks, and designed templates for continuity throughout projects
- Interviewed and recruited artists and outsource vendors
- Edited company shot builds, demo reels, and press material for award submission entries and marketing
- Provided secondary Supervision on-set for VFX plate photography of "True Detective" and "Scorpion"

Post Magazine - Hollywood / Studio City / Culver City / Anaheim, CA & Tokyo, Japan

Contributing Writer

May 2010 - Nov 2013

- Provided coverage of trade conventions, production summits, and award ceremonies from VES, DGA, ASC, and SIGGRAPH
- Previewed, tested, reviewed, and toured factories of products from Adobe, Hewlett-Packard, and Canon

Pixomondo - Burbank, CA

Compositing Supervisor / Lead Compositor

Jan 2011 - May 2013

Eden FX - Hollywood / Santa Monica, CA

Lead Compositor

Aug 2007 - Dec 2010

Mechnology VFX Studio - Hollywood / Burbank, CA

Project Manager / Digital Artist

Mar 2005 - Aug 2007

"Charmed, Season 8" - Paramount Studios Hollywood, CA

Visual Effects Assistant (on-set)

Jul 2005 - May 2006

- Attended production meetings, wrote script breakdowns, and backed up the VFX Supervisor on set for nearly 1,000 shots
- Designed and executed computer screen graphics for live playback and actor interaction

Freelance - Thousand Oaks, CA

Multimedia Artist

Jan 2004 - Dec 2008

- Co-created a documentary short with a pre-release camera and beta software, exhibited by Microsoft, JVC, and Adobe
- Developed a TV miniseries concept pitch and presented to the Head of Drama Development at NBC-Universal
- Produced animated sequences, titles, and interactive kiosks for live theater performances and trade conventions
